

Proceeds from the Mardi Gras Fundraiser benefit:

- **Good Samaritan**, an ecumenical ministry of nearly three dozen area churches, as well as civic organizations, charitable foundations and individual benefactors, provides emergency food, clothing, utility, and other assistance to our neighbors in need.
- **The Linda Bauman Memorial Scholarship** was created in memory of Linda Bauman, a long time Good Shepherd parishioner and Mardi Gras volunteer who was tragically killed in a plane crash in 2015. Her dedication to helping children discover their unique gifts and to serving others lives on through the scholarship fund which provides money to any graduating high school senior who resides in Franklin County and is pursuing a career in the medical field.
- **Good Shepherd Parish Ministries** continues a 106 year history of service to others. Proceeds from the Mardi Gras will help fund the many programs of benefit to the parish and local community.

The Good Shepherd Community Mardi Gras is made possible by its sponsors and volunteers who give of their time, money, goods, and services. They make it possible to hold this fundraiser and to contribute to all three of its great causes. Please support the sponsors, so they can continue to make this event possible!
