

***Greeting  
Card  
Ministry***

*I have an abundance of birthday cards in my card ministry files, and would really like to be sending them out to older parishioners who are celebrating their special day. Problem is--I don't know when those are!*

*If you know--or are--someone over the age of 75 or so, I'd love to send them/you a card. Just email me the name and birthdate. If you are a registered parishioner, I'll have your address. If you're not, please include that as well, and--another reason to go ahead and register!*

*I'm not picky about the age cut-off; I just want to send out some happy cards!*

*Thank You!*
